Everyone's golf cart looked fantastic, and we want to congratulate all the winners. The picnic was a great success also with 540 homeowners and visitors being served.

Donut Social—There will be a donut social on **Saturday, August 6th, from 9:00 a.m.-11:00 a.m.** with coffee and donuts at the community center. Come enjoy the fellowship of neighbors and friends at Oceanside Village.

Ice Cream Social—There will be a "Back to School" ice cream social on **Friday, August 19th** at the activities center **from 1:00 p.m. to 3:00 p.m.** All ages are welcome.

Labor Day Picnic—On **Sunday, September 4th**, everyone is invited to the Labor Day picnic. Come over to the outdoor pool **from 1:00 p.m. to 3:00 p.m.** and enjoy music by "DJ Phil". The menu will include hot dogs, baked beans, cole slaw, potato chips, cookies and soft drinks. There is no charge for this event.

Water Conservation—We are asking all homeowners **not to water their lawns between the hours of 10:30 a.m. and 7:00 p.m.** Anyone seen watering their lawns between the above hours will be asked to stop. We thank everyone in advance for their cooperation in this matter.

Reminder—Due to the extreme hot weather we have been experiencing, always remember to consume plenty of liquid when outdoors, and it also helps if you wear some sort of headgear to keep the sun from beating down on your head. Also, do not forget the sunscreen or making certain your pets have plenty of water as well.

October Newsletter—We are starting to put together the October newsletter. We are looking for articles, pictures, jokes and anything of interest to our homeowners. Contact Susan or Linda at (843) 650-4440 or articles can be sent by e-mail to smartinosv727@aol.com. **Deadline is August 27th.**

Hurricane Season—We are now starting into the more active part of hurricane season. This is the time to start monitoring the weather closely, and when a storm is tracking our way, to remember that with high winds everything outside becomes a projectile. When a storm watch goes into effect, secure your outdoor items. We want to make things as safe as possible and, as always, be prepared.
